Good Morning Howard,

Your petition and associated signatures have not appeared in the Administrative Record because this is the first occurrence that I have been made aware of this specific petition. I followed the link to your petition and note that you have 312 signatures as of this morning. Although I can see the signatures and associated comments online, I am not able to print them out. You as the petition organizer should be able to find a way to submit those signatures and comments to me. Please let me know how that effort goes.

Thank you,

Robert,

These name and approximately 300 additional names and comments are missing from the Soitec Solar Project Administrative Record. Please let us know why they are not appearing on the Administrative record for this project?

Thank You,
Howard W Cook, Jacumba Hot Springs, CA
